

“Build longer tables, not higher walls.”

– Chef and Humanitarian José Andrés

At Church World Service Indianapolis, we believe everyone deserves a seat at the table — a place of belonging, security and opportunity.

Yet many of our immigrant neighbors still live in fear of family separation and with limited access to affordable legal support.

In 2026, CWS Indianapolis will expand its legal services to launch low-cost immigration legal aid for low-income families, helping parents secure stability, young people pursue opportunities and children find safety. We’re inviting you to join us in building that bigger table. Your partnership helps create access to justice, strengthens families and enriches the community we all share.

Our goal: Raise \$30,000 by year’s end to fund this expansion and ensure more families have the legal support they need to belong.

When you support this work, you’re not just giving — you’re investing in the well-being and strength of our entire community.
